

It May Be That Time- But We're NOT Gonna Do It!

For the first time in 15 years, we will NOT be having our annual Candy Buy-Back For The Troops. Due to all that is involved in keeping you, us, and the troops safe, we do not feel that it would be in everyone's best interest to ask children to collect and donate candy. We plan to continue in future years, when things have "quieted down" and returned to a safer level.

Thanks again for giving us the chance to work with you, and thanks for helping in the past and in the future with our BuyBack. Stay Safe, and Wear Masks!

Dr. Stephen Sandler and Staff
